

10 UNITED STATES OF AMERICA,

11 Plaintiff,

12 No. CR 14-00175 WHA

13 v.

14 PACIFIC GAS AND ELECTRIC
15 COMPANY,

16 Defendant.

17 **REQUEST FOR MONITOR TO
18 RESPOND RE COMPLIANCE AND
19 TO PG&E'S NOVEMBER 3
20 RESPONSE REGARDING MONITOR
LETTER**

21 On October 16, 2020, the Court received a letter from the federal monitor
22 addressing PG&E's compliance with its vegetation management plan. PG&E submitted
23 its response November 3, 2020. The Court requests a response from the monitor
24 addressing the following topics:

- 25 1. To what extent is PG&E currently (and since the monitor's last update to
the Court) in compliance, and to what extent is it not in compliance, with
its conditions of probation, especially with respect to:
 - 26 a) Following Sections 4292 and 4293 of the California Public
Resources Code, CPUC General Order 95, and FERC FAC-003-4;
 - 27 b) Following PG&E's Wildlife Mitigation Plan and its requirements
regarding enhanced vegetation management;

- c) Requirement that PG&E maintain “traceable, verifiable, accurate, and complete records of its vegetation management efforts” (Dkt. 1040); and
- d) Requirement that PG&E employ pre-inspectors to identify trees and limbs out of compliance with the laws listed in (a) and post-inspectors to spot-check the work of those contracted to remove trees and limbs that threaten lines?

The monitor shall as well please comment on PG&E's response to the marginal monitor letter.

IT IS SO ORDERED.

Dated: November 30, 2020.
